Cell Culture

Denovo

Started in 2013 by a group of Gen Next technocrats from one of the earliest start-up cohorts inspired by the initiatives taken by BIRAC and Vision Group of Karnataka, Denovo Biolabs has come a long way to be the first Indian company to manufacture ELISA Kits for Pharmacokinetics and Immunogenicity for the Global Biosimilar Industry, used by 6 of the top 10 biosimilar companies in India. We offer cutting-edge products for R&D, drug development for large molecule therapeutics, biosimilar drug development and human diagnostics.
