Denovo Biolabs

Laboratory Test

Denovo Biolabs has come a long way to be the first Indian company to manufacture ELISA Kits for Pharmacokinetics and Immunogenicity for the Global Biosimilar Industry

[Read More](#)

Sunlong Biotech

The comprehensive product lines support applications in the study of all major life science research areas, including molecular biology, immunology, cell biology, proteomics and genomics research.

[Read More](#)

Abbkin

Committed to the research, manufacturing and sales of key reagents in the field of Cell assay and Cell therapy

[Read More](#)

ImmunoDiagnostics Limited.

At ImmunoDiagnostics Limited, our comprehensive technological solutions help industry-leading companies and individuals achieve greater success.

[Read More](#)

BioAssay Systems

BioAssay Systems develops and markets innovative and high-throughput assay solutions to satisfy the ever increasing demands of the life sciences industry

[Read More](#)

Assaypro LLC

Laboratory Test

Assaypro is dedicated to providing high quality immunological assay kits and reagents to the researchers in both academia and pharmaceutical/biotech industry.Â

[Read More](#)

Biostring

The comprehensive product lines support applications in the study of all major life science research areas, including molecular biology, immunology, cell biology, proteomics and genomics research.
