

15 Lipoxygenase 1 Antibody

Description

Product Name 15 Lipoxygenase 1 Antibody

Catalogue No. DF13494
Size 100ul
Form liquid

Purification The antiserum was purified by peptide affinity chromatography using Sul

Coupling Resin (Thermo Fisher Scientific).

Source: Rabbit Clonality Polyclonal

Specificity: 15 Lipoxygenase 1 Antibody detects endogenous levels of total 15 Lipox

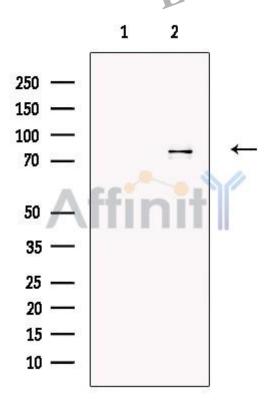

Conjugate: Unconjugated.

Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% selection of the saline is perfectly a saline of the saline

Storage azide and 50% glycerol. Store at -20 °C. Stable for 12 months from date

receipt.

Western blot analysis of extracts from Rat liver, using 15 Lipoxygenase 1 Ab. The lane on the left was treated with blocking peptide.

Date Created 2024/07/01
